### Case Closed -- Currently Not Collectible

We temporarily closed your collection case for the tax types and periods listed below. We determined you don't have the ability to pay the money you owe at this time.

Although we have temporarily closed your case, you still owe the money to the IRS. We may re-open your case in the future if your financial situation improves. Because you still owe money, we will continue to add penalties and interest to your account and it will be subject to other adjustments and offsets, such as applying future tax refunds to the amount you owe.

You don't need to take any action at this time. However, it is very important that you file all future tax returns and pay any amounts you owe on time. It is to your advantage to make voluntary payments towards the amount you owe, if possible, to minimize additional penalties and interest.

You owe a shared responsibility payment (SRP) because one or more members of your tax household didn't have minimum essential health coverage, per Internal Revenue Code Section 5000A. The SRP amount that you owe is not subject to a Notice of Federal Tax Lien filing, a levy on your property, or the failure-to-pay penalty. However, we charge interest on unpaid SRP balances. We may also apply your federal tax refunds to the SRP balance until it is paid in full. If you need health coverage, visit [healthcare.gov](http://healthcare.gov) to learn about health insurance options that are available for you and your family, how to purchase health insurance, and how you might qualify to get financial assistance with the cost of insurance.

If you have any questions you can call us at 1-800-829-1040 (individuals) or 1-800-829-4933 (businesses). For non-case-related questions, you can visit our website at [www.irs.gov](http://www.irs.gov).

Thank you for your cooperation.

Sincerely,

  
DEBORAH CONNORS
